EUROPEAN PATENT ATTORNEY (M/W/D) Specializing in organic chemistry

Full-time / Unlimited Position / 50% mobile work possible

Novaled GmbH is the world's leading supplier of specialist chemicals for use in organic light-emitting diodes (OLEDs). Novaled's products can be found in most AMOLED displays, including smartphones, tablets, TVs and smartwatches. Novaled's main shareholder is Samsung SDI.

YOUR RESPONSIBILITIES:

To further strengthen our IP team, we are looking for a European Patent Attorney for the following tasks:

- In close collaboration with the R&D department, identify new inventions and convert these into registered IP rights, incl. responsibility for examination and granting procedures at the patent offices.
- Defense of own patents against oppositions/invalidation procedures and attack of 3rd party IP rights, in particular in Korea and China.
- Ensure freedom-to-operate for new products for the international market, including identification of potential risks and implementation of appropriate counter-measures.
- You are keen to become an expert in the field organic electronics (OLEDs, photovoltaics, photodetectors, etc.) if you are not yet familiar with the topic.

YOUR PROFILE:

- You have a university degree in chemistry, ideally specialising in organic and/or organometallic chemistry.
- You are a fully qualified European Patent Attorney with at least 5 years relevant experience in the field of international patent law in an international patent law firm.
- In-depth knowledge of US, Korean and/or Chinese patent law is an advantage.
- You possess very good communication skills and are able to present complex legal issues in a simple and intelligible manner.
- You display a high level of responsibility, reliability and integrity.
- You are a team-orientated and pragmatic person who works proactively, independently, with a "hands-on" approach, and at the same time with a high degree of accuracy.
- You are proficient in MS Office and fluent in English (verbally and in writing). Basic German is desirable. Knowledge of Korean or Chinese is an advantage but not a requirement.
