SCIENTIST ORGANIC SYNTHESIS (M/F/D)

Full-time, starting immediately, fixed-term until 31 December 2026

Novaled GmbH is a research and development company and the world's leading supplier of special chemicals for the application in organic light emitting diodes (OLEDs). Novaled's products can be found in most AMOLED displays, including smartphones, TVs and smartwatches. Novaled's main shareholder is Samsung SDI.

YOUR ROLE:

To strengthen our n-side Group we are looking for a Scientist (m/f/d) with the following key activities:

- Development of synthesis routes for business-relevant chemicals within the scope of RnD projects and ideation processes, including corresponding documentation and data analysis.
- Independent synthesis and purification of business-relevant chemicals within the scope of RnD projects and ideation processes, including the corresponding documentation and data analysis
- Identification and evaluation of potentially patentable technical solutions and active generation of new IP
- Literature research according to specifications

YOUR PROFILE:

- You have a master's degree in the field of organic chemistry.
- First professional experience with organic or organometallic synthesis is desirable.
- You possess a high degree of responsibility, reliability and integrity.
- You distinguish yourself as a team-oriented personality, work proactively, carefully and independently.
- In addition, you use MS-Office routinely and have a very good command of German and English (min. B2 level).

The position is available **immediately**. The working hours are **40 hours per week**. Please indicate your availability and salary expectations (gross annual salary) in your application

WE OFFER:

You can expect a modern workplace and comprehensive training from your team. In addition to exciting and varied work in an international environment, you will benefit from 30 days of vacation and additional pay, which is paid from the 7th month of employment. You can use this individually, e.g., for childcare subsidies, recreation allowances, fitness centers, job tickets, and other offers. We also place great emphasis on further training – we would be happy to discuss your ideas and wishes.

We also offer a discounted lunch every day in our own company restaurant (at least one vegetarian dish per day), free hot and cold drinks, joint events such as summer parties, sporting events, team events, and Christmas parties. At least one large event per year takes place with the entire family.

We look forward to receiving your application!
